I, come to you with my broken
heart, to petition your Century
if you want grant me the favor
to put my son Joseph Mirella
together with my son in law
Gonario Lopez, even for a little
time, in order to comfort him
for the loss of his only dear son
he had in this world.

I am sure that whether you
would not grant such a grace
my son shall eyes of broken
heart. I let you consider

how a father ought feel to hear
the news of his son's death at
the age of 17 years, especially
when he is in prison, without
a friendly word to sympathize
and comfort him.

If the mother of Joseph Morillo
pray you as I could to my
God so that you would not
deny the appeal of a poor mo-
ther in such an unkind con-
dition.

Hoping a good consideration
to my demand I thank you
with all my heart.

Respectfully
Angela Bayed Morillo

H. Sig. Capro -

Vedo ardere appreso dal giornale.
La immatura sventura che col-
pi' la nostra famiglia per la
disgraziata morte di nostro figlio
Carlo e morto l'unico figlio,
l'unico sostegno, l'unico conforto
D'un sventurato padre che sento

25 anni immunitate; passivo
di qualsiasi conforto stante
trovassi nella tomba dei suoi.

Chi penserà all'arrivare di quel
inerte ragazzino privo del conforto
paterno e ora per di più diviso
per una volta e per sempre
dal sostegno paterno?

Chi sarà che in quella oscura cella
inonderà coraggio a mio figlio,
Da mio marito che molto soffre
di male di cuore?

Noi crediamo che un tale

dipiacerel potrà esserle punto.

Fig. Capo, anche tu e padre,

anche tu hai un cuore nobilito e genero-
so, anche tu eterna' ciò che vuol
dir dolere. E quindi non neghi.

a me in qualità di sposo ne
facciamo a mia suocera madre
di Murello la grazia delle domande
mie.

Giuseppe Murello, ora quarantenni.

incontabile per la dispreziate morte

Dell'unico figlio e per lo stato di malattia

in cui l'orsa ha bisogno di conforto, ma

ningno ~~da~~ può esser che lo rinfonda

caraggio. Per carità non si neghi.

La grazia di rimire nella medesima
cella Morello e Suppo è quale
quest'ultimo in qualità di Cognato
potrà infondere conforto e coraggio
a mio figlio, e mio marito.

Sicuri che le vostre lagrime toccheranno
il diletto cuore nobile e generoso
Dedendo fiducia nel dr. Berghetti

grazia chiestale, con tutto

The Warden, Esq.,

Sir.-

I think you have learned from the papers of the misfortune, which struck our family with the death of our son Calogero Morello, the only support and comfort of his unhappy father, who is serving 25 undeserved years and who has no comfort because he is buried alive. Who will take care of the two innocent girls, who are without their father's comfort and also deprived of their brother's? Who in that dark cell will give courage to my son and my husband, who is affected by heart disease? We think that this grief will be fatal to him, Warden; you also are a father and have a noble and generous heart, and know what sorrow means, so don't refuse to me, the wife, and to my mother-in-law, Morello's mother, the favor we are asking. Giuseppe Morello, inconsolable for the death of his only son and affected as he is, needs comfort and somebody, who might give him this comfort. For charity's sake don't refuse to put into the same cell Morello and Lupo, as the latter one in his quality of brother-in-law can give courage and comfort to ~~our~~ son and ~~my~~ husband. Sure that our tears will touch you noble and generous heart and relying in your kindness that you will grant us this favor with our respect we beg to remain

very truly yours
Angela Piazza (mother)
Lino Morello (wife)

Pardon us if we write in Italian because we could not find the opportunity of writing to you in English.

My dear Sir:-

This will be presented by Mrs. Merelle, the wife of Guiseppe Merelle, a prisoner in your custody, under a sentence of the United States Court. A very affecting letter from her husband, which I have seen, is the immediate cause of her making this long journey to Atlanta, and I hope that she may be able to give him some comfort.

I hope you will allow her to see him as frequently and for as long as the rules of the Penitentiary will permit.

Yours very sincerely,

To:

We are all well so we hope that the post will find you.

Have received your papers and are in the hands of your Lawyer and all is going according to our wishes.

I don't write though letter because I don't know if you are allowed to receive them, because Iguazio did write that the Star interpreter is not there. If you can receive it I will write you a long letter.
